## Press Release

FOR IMMEDIATE RELEASE

## UPDATED ELECTRONIC MEASUREMENT SOLUTIONS CATALOG WITH QR CODE

**Berea, Ohio (February 16, 2011)** NOSHOK announces the release of our updated Electronic Measurement Solutions catalog, which introduces several new and improved products including 619/620 Series ATEX Approved Explosion Proof Transmitters, increased functionality and additional options on our 1000 Series Digital Gauges, and 1800 Series Attachable Loop Powered Digital Indicators with new relay option. Other updates include upgraded 200 and 300 Series Switches.

For your convenience and quick reference to NOSHOK information, we have also incorporated a QR (Quick Response) code on the cover of this catalog. This matrix barcode can be read by dedicated QR readers of smart phones. Some reader applications we recommend are Red Laser, i-nigma, and Bar Code Scanner. This QR code will automatically download a PDF version of this catalog onto your phone.

For more information on NOSHOK products and literature, or to order a catalog, please visit our website at [www.noshok.com](http://www.noshok.com).
